## **FUGITIVE APPREHENSION STREET TEAM (FAST) ARRESTS WANTED MAN AT LA PORTE COUNTY COMPLEX**

The La Porte County Sheriff's Office and La Porte County Metro Operations Unit have announced the arrest of a wanted La Porte man for dealing Suboxone. On Monday, June 16, 2014 members of the Michigan City Police Department Fugitive Apprehension Street Team arrested 20 year old Anthony ALDANA when he was observed in the La Porte County Complex.

ALDANA had been wanted for one count of Dealing a Schedule III Controlled Substance (Suboxone), a class "A" felony. As the result of a La Porte County Metro Operations Unit investigation, a criminal arrest warrant had been issued by La Porte County Circuit Court authorizing the arrest of ALDANA. He is currently being held in the La Porte County Jail in lieu of \$100,000 bond.

This recent arrest is the result of on-going investigations involving the distribution of narcotics and illegal drugs in and around the La Porte area. Additional arrests are anticipated. The public is encouraged to report potential drug activity to the La Porte County Metro Operations Unit by calling (219) 325-9022. The Metro Operations Unit is a multi-jurisdictional drug task force comprised of investigators from the La Porte County Sheriff's Office and La Porte Police Department.

\*The charges against the defendants are merely accusations, and the defendants are presumed innocent until and unless proven guilty
